Dailard Dash!

It's the First Annual Dailard Dash Fun Run & 5K!
 Come out with us Sunday, March 17, 2013 to Mission Trails Regional Park Equestrian Center (off of Mast Blvd.). The Fun Run begins at 8:30 AM and the 5K begins at 9:00 AM. The first 200 registrants will receive a custom water bottle, finisher medal, and a bag of gold (chocolate). Stick around afterwards for the raffle; lots of prizes and the big winner goes home with a \$100 gift card to Roadrunner Sports.
 Register online through Sunday, March 10th at www.dailard.org or in person on the day of event (the 17th). There is room for everyone to run and all participants are entered in the raffle, but remember – only the first 200 people will receive a goodie bag!
 Dailard Dash Entry Fees: Fun Run \$10 per person & 5K \$25 per person
 Current Dailard teachers and participants age two and under run for free! All participants, however, must fill out a registration form.
 We hope to see you there!

Please join us for our 2nd annual Spring Rummage Sale on Friday, March 22nd at 2:00pm. Items available will include children's clothing and children's books. If you have gently used items you would like to donate, please drop them in the bins near the multi-purpose room. This is a great time to do some spring cleaning and to update your child's bookshelves and clothing. All proceeds benefit the Dailard PTF.

The Spring Fling is coming up on Sat, April 27th. This year's theme is Western so get ready to pull on some cowboy boots and mosey on over for a fun filled day for the entire family! More details will be coming soon. In the meantime, be sure to put it on your calendars so you don't miss out on the fun!

The Garden Club is now meeting every other week on Wednesdays immediately after school. This is a fantastic opportunity for kids and parents to learn about gardening, composting and more. The kids are loving the hands on experience and even get to eat what they grow! Please join us when we meet on March 13th so you can be part of this wonderful experience, too!

5 Things You May Not Know About Scott Roesch From The Dailard Dashers Running Club

Ready to get involved? PTF Board Members are elected for two years, and the terms of the following positions are open for candidates:

- Activities & Events

- Technology
- Visual Arts

If you are interested in one of these positions and would like more information about what these board members do, and how a PTF board meeting is run, please contact us in person or by email at info@dailard.org! You may also want to attend a meeting. Our next meeting is Tuesday, March 12th at 5:30 pm in the teacher's lounge. Elections will be held at the May 14 board meeting. We look forward to meeting you and thank you for your support!

1. For relaxation, I love watching Duck Dynasty (on A&E for those who are interested) and all things Justin Bieber!
2. I get up and eat every night between 1 and 3 AM. I just get so hungry that I can't stand it.
3. Contrary to popular opinion, I do have a job. I am a professor at San Diego State University. I teach statistics.
4. In addition to Jordan (3rd Grader) and Kennedy (1st Grader), we have a third child Riley who will start kindergarten next year. We pity her teacher and the new principal; she is quite a talker!
5. My wife Kristin and I met in high school 28 years ago. I was watching her play softball (as I still do to this day) and we started dating the next day.

St. Patrick's Day is observed on March 17 because that is the feast day of St. Patrick, the patron saint of Ireland. It is believed that he died on March 17 in the year 461 AD.

In Ireland on St. Patrick's Day, people traditionally wear a small bunch of shamrocks on their jackets or caps. Children wear orange, white and green badges, and women and girls wear green ribbons in their hair.

The name "lephrechaun" has several origins. It could be from the Irish Gaelic word "leipreachan," which means "a kind of aqueous sprite." Or, it could be from "leath bhrogan," which means "shoemaker."

Legend says that each leaf of the clover means something: the first is for hope, the second for faith, the third for love and the fourth for luck.

Many cities have a St. Patrick's Day parade. Dublin, the capital of Ireland, has a huge St. Patrick's Day festival from March 15-19, that features a parade, family carnivals, treasure hunt, dance, theatre and more. In North American, parades are often held on the Sunday before March 17. Some paint the yellow street lines green for the day! In Chicago, the Chicago River is dyed green with a special dye that only lasts a few hours. There has been a St. Patrick's Day parade in Boston, Massachusetts since 1737. Montreal is home to Canada's longest running St. Patrick's Day parade, which began in 1824.

Thank You Teachers and Staff!

Thanks so much for making this transition time as smooth as possible. Also, thanks so much for the great turnout at Moms and Muffins! It was such a nice morning. Thanks for all you do. You're the best!
