Fri, Mar. 1st, 7-7:45 am

Friday Flag

Fri, Mar. 1st, 7:50 am

Hello Dailard Community,

I hope this newsletter finds you healthy: the flu has taken its toll on all of us. January proved to be quite an eventful month. While we are sad to have Mr. McDade move on to Correia Middle School, we wish him success and best wishes. As part of the search to find our new principal, I invite you to attend a forum on Wednesday, February 13th at 5:30 in the multipurpose room conducted by Doctor David Lorden, our Superintendent. Feedback from the forum will be incorporated into the interview process in selecting our new Principal.

As a PTF we are still moving forward with our goals to provide financial, human, and program resources to support and expand the educational opportunities for students at Dailard. We are excited about the upcoming Garden Club Meetings, Friday Night Lights, Jog-A-Thon, Dailard Dash, and Spring Fling. We are pleased that many classes have been able to go on numerous field trips, that our kids are able to have weekly physical education, and that Junior Theatre is on campus and will be working with each grade level before year-end. I really enjoy seeing the students' art work in the multipurpose room each month and Mr. Sullivan is wonderful at coordinating the variety show and musical performances.

In order to try to serve the needs of the entire school body, we will be sending out a survey soon to find out what types of things you would like to see us do in the future. To the best of our abilities, we will work on what is important to the community so your feedback is appreciated.

Also your continued cooperation is requested to make drop-off and pick-up a safe experience. As a reminder, there is absolutely no parking in our delivery/cafeteria entrance. It is staff parking and a Red Zone area. Parking in the Red Zones is creating a safety concern for all. In addition, the front gate will be open for drop-off and dismissal only. The front gate will be promptly closed after drop-off and dismissal. Please use the side/parking lot gate for entrance after those times. Thank you for your cooperation.

Thank you to all for your continued support and service; it is our wonderful families that make Dailard the special community it is.

Sincerely,
Cherie Slinger

Please join The Garden Club on Weds. the 6th from 12:30 - 1:30. They will be setting up their worm bin so that they can start turning their green waste into compost. It's sure to be a fun and informative day! Parents will need to stay with their children during Garden Club activities. Hope to see you there!

Junior Theater is now at Dailard! Each grade level will participate in 4 weeks of lessons. So far 1st grade students have had their 4 weeks and the kindergarten classes are underway. We have received wonderful feedback from some of the parents of children who have participated. We are looking forward to more fun ahead!

The Dailard Dash 5K and Fun Run will be held Sunday, March 17th at Mission Trails Regional Park, near the Equestrian Center. Please visit dailard.org for more details and for online registration.

Farewell!

Adios!

Auf Wiedersehen!

Arrivederci!

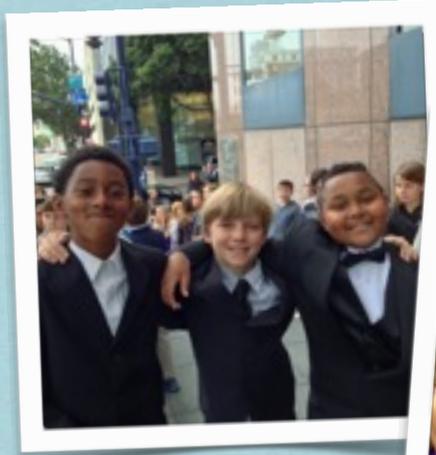

Sayonara!

Ordinary people can accomplish extraordinary things. Thank you for making us extraordinary!

We will miss you,
Mr. McDade!

4TH GRADE TRIP TO THE SYMPHONY

The 4th Grade classes had an amazing opportunity to see a live show performed by the San Diego Symphony and the perfect opportunity to get all dressed up!

Did you know there are a variety of ways you can help earn money for Dailard just by doing things you probably already do? Many products and stores offer to donate a portion of your purchase back to the school of your choice. Be sure to collect BoxTops, register your Von's card and/or credit card with e-scrip, sign up for a Target Red Card and sign up for a Jamba Juice card. Once you do the initial set up of these programs, it really is easy money for the school! Links are available on the dailard.org website.

2ND GRADE TRIP TO THE ZOO

Every trip to the San Diego Zoo should include a stop in the Children's Zoo to pet and feed some animals!

All of the students gathered for a very fun and informative lesson on the life cycles of animals. The lesson included an interactive conversation with a zebra!

Interested in joining the PTF?

There are a number of PTF Board and Chair positions available for the 2013-2014 school year. If you are interested in helping out, please let us know! You are welcome to attend a board meeting or you can fill out an interest form at dailard.org. Elections for board positions will be held at our May meeting. This is an excellent opportunity to make a difference in your child's school experience.
