Employer Match Opportunity

We are excited to share a wonderful opportunity for you to maximize your support for our Jog-A-Thon! Many employers offer matching gift programs that match employee donations dollar for dollar — or even more. Taking advantage of employer matching is a simple way to increase the impact of your donation and help us reach our fundraising goals.

How Employer Matching Works:

1. **Make a Donation:** You contribute to your child’s Jog-A-Thon fundraising efforts.
2. **Request the Match:** Check if your employer offers a matching gift program. If they do, follow their process to request a match for your donation.
3. **Double Your Impact:** Your employer will match the amount of your donation, effectively doubling—or even tripling—your contribution to the school.
4. **Confirm:** The employer match program is often slower than the timeline for our event. If you know that your employer will be matching funds, please reach out to jogathon@dailard.org prior to the fundraising deadline and let us know so your child can receive credit for the match.

Your employer will likely require the 501c3/non-profit tax id number associated with the Dailard School Foundation. Our Tax ID number is **33-0558354**. The **DSF** will send you an official receipt for any donation of \$250 or more. If you make any donation online, you will receive an email receipt with the tax ID # as well.

Thank you for your consideration in our efforts as we work to better our school and community!
